

Lull Telehandler Part

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement since nineteen fifty nine. Whether the work involves transferring loads, positioning heavy steel or landing loads on scaffoldings, using a Lull telehandler would really help make the work go faster and easier. These units are available with the patented Stabil-Trak stability system to ensure operator confidence.

The Lull horizontal load placement system provides 80 inches of boom travel for precision placement capabilities. A wide range of optional accessories is accessible for Lull telehandlers so as to help finish any job.
