

## Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over sixty years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to offering top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They enjoy providing items which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK likes dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' needs and skills together with their comprehension of cleaning applications, along with owners' strong desire to considerably reduce cost through productivity gains.

When required, the workers within TREK and its various dealer members in both technical support and parts would be accessible. One of their core values is their high service dedication in their customer service. Keeping their clients' cleaning machines functioning and ready daily is top priority. The company's top of the line technology delivers reliable machine that ultimately lessens your cleaning expense. The price, the service and the product all work together so as to make them an industry leader.
