

## American Lincoln Parts

American Lincoln Parts - Currently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the industry they are known within the industry as providing durable and strong machines which satisfies all the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nationwide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln could provide components, warranty service and machines for these kinds of scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where efficiency and results matter. Recently, this particular floor scrubber model has been utilized by the architects in different construction projects like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on site due to the model's utmost performance level and high standard of quality for polishing concrete.
